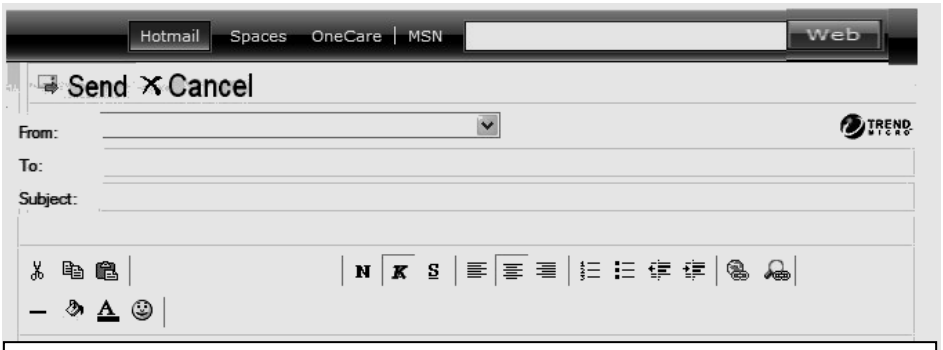
WRITING:

Daniel wrote an e-mail to his girlfriend, Carolyn. Read his e-mail.



Dear Friend,
I'd love to see you next week, but I'm very busy.
I'm stressed out! I have to study for my English test on Monday night. I'm going to the dentist on Tuesday, and you have to see the doctor on Wednesday. My mother's having a party on Friday, and I have to help her with that. What are you doing on Thursday? I'm not busy that day. Are you working in the afternoon? Would you like to go to the movie theater?

Love,
Daniel
